

Your Reps Cost EUR 80K/Year

How Much of That Is Wasted on Research?

The Hidden Cost

70% on Non-Selling Activities

If 70% of your EUR 80K rep's time goes to admin tasks, that's **EUR 56K/year per rep** - not spent on closing deals.

The Multiplier

Wrong Leads Compound Losses

Only 5% of prospects are in-market.

Every hour on the other 95% is an hour **not spent on real opportunities.**

The Benchmark

B2B Acquisition Costs Are Rising

Customer acquisition costs have increased **over 50%**.

Without radical efficiency gains, sales becomes an unpredictable cost trap.
